

Complete Flexibility. Customizable Inventory.

Be prepared.

Allied Power Group's **Outage in a Box™** provides a great way to ensure a smooth Gas Turbine inspection. The kit includes gaskets, washers, nuts, bolts and more - the critical small parts that often go overlooked, yet are critical to completing your outage. With **Outage in a Box**, you'll be prepared with the parts you need, you'll save costly time and alleviate unnecessary frustrations.

All the parts you need. When you need them.

With Allied Power Group's **Outage in a Box**, you only pay for the parts you use. An inventory sheet with pricing comes with your set. You simply use the parts you need and send your box back. When we receive the container, we take an inventory and send you an invoice only for the parts you used.

Customized to fit your needs.

Allied Power Group's **Outage in a Box** is customized for the type of turbine you operate. We'll provide a box with consumable parts for your Frame 6B, 7B, 7E or 7EA gas turbines. By ordering Allied Power Group's **Outage in a Box** you will have the comfort of knowing your outage will go as smoothly - and as quickly - as possible. You won't have to worry about having all the consumable parts you'll need. And you won't have to wait for that extra gasket or washer to arrive. Allied Power Group's **Outage in a Box** will be on site and ready to fulfill your needs.

in a **BOX**
TM

**Choose the parts you want. Keep the parts you need.
And pay only for the parts you use.**

Why wouldn't you want an **Outage in a Box™** on reserve for your next outage or emergency situation?

The completely customizable **Outage in a Box** is ideal for:

- Hot Gas Path Inspections
- Combustion Inspections
- Major Outages

Allied Power Group's **Outage in a Box** available for:

- Frame 5
- Frame 6B
- Frame 7B
- Frame 7E
- Frame 7EA

In addition to the consumable parts in your **Outage in a Box**, Allied Power Group can supply you with capital parts for your gas turbine. The next time you need replacement parts make Allied Power Group your first choice. We'll even give you the flexibility to jointly agree to any special coatings or processes you need.
